DEMAND FOR JURY TRIAL

8 Plaintiffs Luis Lerma and Nick Pearson (“Plaintiffs”), by and through his—their
 9 attorneys, bring this action on behalf of himself themselves and all others similarly situated
 10 ~~California residents~~ against Defendant Schiff Nutrition International, Inc. and Defendant
 11 Schiff Nutrition Group, Inc. (collectively “Defendants”), and alleges as follows:

12 **NATURE OF ACTION**

13 1. Forty-six million Americans suffer from arthritis. Osteoarthritis, also called
 14 degenerative joint tissue disease, is the most prevalent and disabling form of arthritis.
 15 Osteoarthritis is caused by the breakdown of cartilage, which is the connective tissue that
 16 cushions the ends of bones within the joint. Osteoarthritis is characterized by pain, joint
 17 damage, and limited motion (hereafter referred to as the “three major symptoms of arthritis”).
 18 The disease generally occurs late in life, and most commonly affects the hands and large
 19 weight bearing joints, such as the knees, hips and back. There is no cure for the three major
 20 symptoms of arthritis. Yet, Defendants promises a cure for each of the three major symptoms
 21 of arthritis in the form of a pill which they manufacture, market, and sell as the Move Free®
 22 Advanced line of joint health dietary supplements.¹

23 2. It has been the accepted standard for over four decades in both the medical
 24 and scientific community that in order for someone to make a health benefit claim about a
 25 product, the party making that claim must possess competent scientific evidence—meaning
 26 that they have at least two adequate and well controlled clinical trials supporting a particular
 27 health benefit claim about a particular product (hereafter referred to as “competent scientific
 28 evidence”).

29 ¹ The Move Free® Advanced line includes: (1) Move Free® Triple Strength; Move Free® Plus MSM & Vitamin
 30 D; and Move Free® Advanced plus MSM (collectively, “Move Free® Advanced” or “the Products”).

1 3. On each and every Move Free® Advanced product label and/or package,
 2 Defendants prominently state that Move Free® Advanced, with its “clinically tested” premium
 3 formula, will rebuild joint cartilage, improve joint function and reduce joint pain in less than 7
 4 days.

5 4. In making these affirmative representations, Defendants represent to each
 6 purchaser of Move Free® Advanced that they have competent scientific evidence that these
 7 products are effective in relieving and reducing the three major symptoms of arthritis and
 8 other joint related ailments.

9 5. Yet, Defendants do not possess such competent scientific evidence. In fact,
 10 the Move Free® Advanced products are not effective arthritis remedies. In short, Defendants
 11 have not obtained the necessary scientific proof with regard to each of the Move Free®
 12 Advanced products ~~it-they~~ markets and sells in order to make the representations that they
 13 have made about each of these Products.

14 6. As a result, Defendants are guilty of deceptive conduct in their marketing and
 15 sale of the Move Free® Advanced products.

16 7. Defendants are also guilty of deception by omission in that, after affirmatively
 17 asserting that these Products are effective remedies against the three major symptoms of
 18 arthritis, Defendants had a duty to tell Plaintiffs and the Class members that they did not have
 19 competent scientific evidence to support the efficacy representations that they make about the
 20 Move Free® Advanced products.

21 8. By making representations on the box of each Move Free® Advanced product
 22 that it was an arthritis remedy, Defendants represented (and continue to represent) to Plaintiffs
 23 and the Class members that they have competent scientific evidence to back up these
 24 assertions when they did not possess such evidence. These were material misrepresentations
 25 concerning the only reason that Plaintiffs and the Class members would have purchased
 26 Defendants’ Move Free® Advanced products—that the Products were proven by competent

1 scientific evidence to be effective against the three major symptoms of arthritis.

2 9. Other than to use the Move Free® Advanced products to relieve these
 3 symptoms of arthritis, there is no reason for Plaintiffs or the Class members to have purchased
 4 these Products. Plaintiffs and the Class members would not have purchased a Move Free®
 5 Advanced product without believing that it was a proven effective arthritis remedy and that it
 6 provided relief from the three major symptoms of arthritis.

7 10. Thus, through the act of purchasing one of Defendants' Move Free®
 8 Advanced products, Plaintiffs and each Class member necessarily ~~was-were~~ deceived by
 9 Defendants' representations that these Products were effective arthritis remedies and would
 10 provide relief from the three major symptoms of arthritis.

11 11. Plaintiffs and the Class members were also deceived by Defendants in that,
 12 after affirmatively asserting that these Products would provide relief for the three major
 13 symptoms of arthritis, Defendants failed to inform Plaintiffs and the Class members that they
 14 did not possess competent scientific evidence to support these health benefit claims.

15 12. Every purchase of the Move Free® Advanced products was tainted with
 16 Defendants' deceptions in that just by looking at the package on the shelf or following the
 17 directions for use, Plaintiffs and the Class members would have seen Defendants' deceptive
 18 representations.

19 13. Defendants' deceptive marketing and advertising, as well as the complete lack
 20 of any disclosure that no competent scientific evidence exists to substantiate the claim that
 21 Move Free® Advanced will "protect" "replenish" "rebuild[] or "lubricate" joints – let alone
 22 reduce joint pain "in less than 7 days"—is designed to cause consumers to buy Move Free®
 23 Advanced. Defendants' deceptive marketing and advertising campaign has succeeded.
 24 According to Defendants, in 2010 sales of Move Free® Advanced exceeded \$100 million.²

27 ² Sales figures are based on Fiscal Year 2010. See <http://www.schiffnutrition.com/movefree.asp> (last visited
 May 2, 2010).

14. Plaintiffs bring this action on behalf of himself themselves and other similarly situated California consumers who have purchased the Products to halt the dissemination of this false and misleading advertising message, correct the false and misleading perception it has created in the minds of consumers, and obtain redress for those who have purchased Move Free® Advanced products. Based on violations of state unfair competition laws (described below) and breach of express warranties, Plaintiffs seek injunctive and monetary relief for consumers who purchased the Move Free® Advanced productsPlaintiff alleges violations of the Consumers Legal Remedies Act, the Unfair Competition Law, and Breach of Express Warranty created by Defendants' advertising, including false labeling.

JURISDICTION AND VENUE

15. This Court has original jurisdiction pursuant to 28 U.S.C. §1332(d)(2). The matter in controversy, exclusive of interest and costs, exceeds the sum or value of \$5,000,000 and is a class action in which members of the class are citizens of a state different from Defendant.

16. This Court has personal jurisdiction over Defendants because Defendants are authorized to do and conduct business in California. Defendants have marketed, promoted, distributed, and sold the Move Free® Advanced products in California, and Defendants have sufficient minimum contacts with this State and/or sufficiently avail themselves of the markets in this State through their promotion, sales, and marketing within this State to render the exercise of jurisdiction by this Court permissible.

17. Venue is proper in this Court pursuant to 28 U.S.C. §§1331(a) and (b) because a substantial part of the events or omissions giving rise to Plaintiffs' claims occurred while ~~he Plaintiff Lerma~~ resided in this judicial district. Venue is also proper under 18 U.S.C. §1965(a) because Defendants transact substantial business in this District.

PARTIES

18. Plaintiff Luis Lerma resides in Imperial, California. During the Class Period, Plaintiff Lerma was exposed to and saw Defendants' claims by reading the Move Free® Advanced label, purchased the Move Free® Advanced products in reliance on those claims, and suffered injury in fact and lost money. Had Plaintiff Lerma known the truth about Defendants' misrepresentations and omissions, Plaintiff would not have purchased and used the Move Free® Advanced products.

18.19. Plaintiff Nick Pearson resides in Cook County Illinois. On or about May 2011 Plaintiff Pearson was exposed to and saw Schiff's claims by reading the Move Free® Advanced Triple Strength label described herein. Plaintiff Pearson purchased this Move Free® Advanced at a Target Store in Streamwood, Illinois and was deceived in some manner by Defendants' claims. The Move Free® Advanced product Plaintiff Pearson purchased was not proven to and thus did not provide the health benefits Defendants represented it would, including "strengthening, protecting and rebuilding joints" and "COMFORTING SORE JOINTS IN LESS THAN 7 DAYS." As a result, Plaintiff Pearson suffered injury in fact and lost money. Had Plaintiff Pearson known the truth about Schiff's misrepresentations and omissions, including the fact that Defendants did not possess competent scientific evidence to support the claims that they made about these Products, Plaintiff Pearson would not have purchased and used the Move Free® Advanced product.

19-20. Defendant Schiff Nutrition International, Inc. is a corporation organized and existing under the laws of the State of Utah. Defendant's headquarters is at 2002 South 5070 West, Salt Lake City, Utah 84104. Defendant manufactures, distributes, markets and sells the Move Free® Advanced products to tens of thousands of consumers in California.

20-21. Defendant Schiff Nutrition Group, Inc., is a corporation organized and existing under the laws of the State of Utah. Defendant's headquarters is at 2002 South 5070 West, Salt Lake City, Utah 84104. Defendant manufactures, distributes, markets and sells the Move Free® Advanced products to tens of thousands of consumers in California.

21.22. Plaintiffs ~~is-are~~ informed and believes, and thus alleges, that at all times herein mentioned, each of the Defendants was the agent, employee, representative, partner, joint venturer, and/or alter ego of the other Defendant and, in doing the things alleged herein, was acting within the course and scope of such agency, employment, representation, on behalf of such partnership or joint venture, and/or as such alter ego, with the authority, permission, consent, and/or ratification of the other Defendant.

FACTUAL ALLEGATIONS

The Move Free® Advanced Products

22-23. Defendants develop, manufacture, market, distribute and sell vitamins, nutritional supplements and sports nutrition products nationwide. Defendants' "flagship brand" is Move Free® Advanced. Move Free® Advanced is available in three different formulas: (1) Move Free® Advanced Triple Strength; (2) Move Free® Advanced Plus MSM & Vitamin D; and (3) Move Free® Advanced plus MSM. Defendants began manufacturing, marketing and selling the Move Free® Advanced products nationwide in 1996.³

23-24. The Move Free® Advanced products are sold in virtually every major food, drug, and mass retail outlet in California, including, but not limited to: BJ's Wholesale Club, Costco, Sam's Club and Wal-Mart stores. The Move Free® Advanced products are also sold through online retailers such as Costco.com, cvs.com, and walgreens.com. A 120-count bottle of Move Free® Advanced retails for approximately \$30.00. The following are screen shots of the Products:

³ In 2000, Defendants rebranded their joint dietary supplements as “Move Free”.

24.25. Since the Products' launch, Defendants have consistently conveyed the message to consumers throughout California that Move Free® Advanced, with its "clinically tested" formula will "protect," "replenish" and "rebuild" one's joints simply by taking the recommended number of tablets each day. According to Defendants, Move Free® Advanced will also "START[] COMFORTING SORE JOINTS IN LESS THAN 7 DAYS." These claims are not substantiated by competent scientific evidence and are factually baseless.

25.26. The primary active ingredients in all the Move Free® Advanced products are glucosamine hydrochloride and chondroitin sulfate. Glucosamine is an amino sugar that the body produces and distributes in cartilage and other connective tissue. The Products' labeling and packaging states the benefits associated with taking glucosamine hydrochloride: "Glucosamine—Helps by strengthening, protecting and rebuilding joints." There is no competent scientific evidence that taking glucosamine—let alone through oral administration—results in the body metabolizing it into something that strengthens, protects or rebuilds joints.

26.27. Chondroitin sulfate is a complex carbohydrate found in the body's connective tissues. On the Products' labeling and packaging, Defendants claim that chondroitin "assists in lubricating and cushioning joints." There is no competent scientific evidence that taking chondroitin sulfate—let alone through oral administration—results in the body metabolizing it into something that assists in lubricating and cushioning joints.

1 27.28. All of the Move Free® Advanced products also contain lesser amounts of other
 2 ingredients including Defendants' "patent-pending" ingredient Uniflex and hyaluronic acid.
 3 On their packaging and labeling, Defendants define Uniflex as "a ground breaking dual
 4 bioflavonoid antioxidant system that protects joints from harmful antioxidants that accelerate
 5 the breakdown of cartilage and joint tissue." There is no competent scientific evidence that
 6 taking Uniflex or any of its individual ingredients—let alone through oral
 7 administration—results in the body metabolizing it into something that protects joints or
 8 slows the breakdown of cartilage or joint tissue.

9 28.29. Hyaluronic acid is a component of synovial fluid found in the eyes and joints.
 10 On the Products' labeling and packaging, Defendants claim that hyaluronic acid "helps
 lubricate, rejuvenate, re-hydrate, and repair joints." There is no competent scientific
 evidence that taking hyaluronic acid—let alone through oral administration—results in the
 body metabolizing it into something that helps lubricate, rejuvenate, re-hydrate or repair
 joints.

11 29.30. In addition to those ingredients, Move Free® Advanced plus MSM and Move
 12 Free® Advanced Plus MSM & Vitamin D also contain methylsulfonylmethane ("MSM"), an
 13 organic sulfur compound found in fruits, corn, tomatoes, tea, coffee, and milk. There is no
 14 competent scientific evidence that taking MSM—let alone through oral
 15 administration—results in the body metabolizing it into something that relieves any of the
 16 three major symptoms of arthritis or any other joint related ailments.

17 30.31. Contrary to the stated representations on all the Products' labeling and
 18 packaging, Defendants do not possess (and have not possessed) competent scientific evidence
 19 that any of these ingredients, taken alone or in combination, are effective in treating any of
 20 the three major symptoms of arthritis or any other joint related ailments.

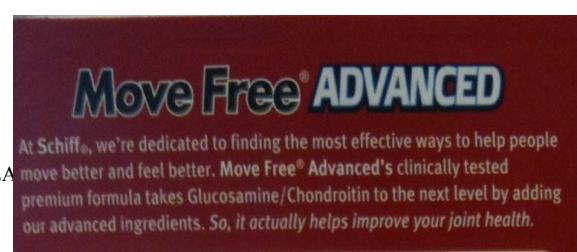

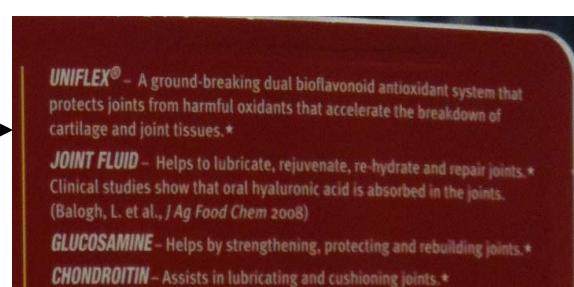

21 31.32. Despite inadequate testing and no scientifically valid confirmation that Move
 22 Free® Advanced is an effective joint treatment—let alone an effective treatment for *all* joints

in the human body, for customers of *all* ages and for *all* stages of joint disease—Defendants state on the Products' packaging and labeling that Move Free® Advanced, with its “clinically tested” formula will, *inter alia*, “strengthen[], protect[] and rebuild[] joints” and “START[] COMFORTING SORE JOINTS IN LESS THAN 7 DAYS.” Front and back shots of a representative Move Free® Advanced Triple Strength product label appear as follows:

DED CLA

1 ***The Impact of Defendants Wrongful Conduct***

2 32.33. Despite the lack of competent scientific evidence, Defendants continue to
 3 unequivocally claim that with its “clinically tested” premium formula, Move Free® Advanced
 4 provides joint health benefits to all persons.

5 33.34. As the manufacturer and distributor of Move Free® Advanced, Defendants
 6 possess specialized knowledge regarding the content and effects of the ingredients contained
 7 in their Products and are in a superior position to learn of the effects—and have learned of
 8 the effects—their Products have on consumers.

9 34.35. Specifically, Defendants knew or should have known, but failed to disclose
 10 that they have no competent scientific evidence that their Move Free® Advanced products are
 11 effective in treating the three major symptoms of arthritis or any other joint related ailments.

12 35.36. Notwithstanding these deceptive representations and material omissions,
 13 Defendants conveyed and continue to convey one uniform message: Move Free® Advanced,
 14 with its “clinically tested” formula, is effective in treating the three major symptoms of
 15 arthritis.

16 36.37. Plaintiffss and Class members have been and will continue to be deceived or
 17 misled by Defendants’ deceptive representations touting the effectiveness of the Move Free®
 18 Advanced products. Plaintiffss purchased and used the Move Free® Advanced products
 19 during the Class period and in doing so, read, considered and based their decisions to buy the
 20 Products on the above cited representations. Because the Products’ sole purpose is to
 21 provide joint relief for the three major symptoms of arthritis or other joint related ailments,
 22 Defendants’ representations and omissions were a material factor in influencing Plaintiffss’
 23 decision to purchase and use the Move Free® Advanced products. There is no other reason
 24 for Plaintiffss to have purchased the Move Free® Advanced products and Plaintiffs-would not
 25 have purchased the Products had hethey known that Defendants did not possess competent
 26 scientific evidence to support the claims that they made about these Products.

1 37.38. As a result, Plaintiffs and the Class members have been damaged in their
 2 purchases of these Products and have been deceived into purchasing Products that they
 3 believed, based on Defendants' representations, were proven to be effective in treating the
 4 three major symptoms of arthritis and other joint related ailments when, in fact, they are not.

5 38.39. Defendants, by contrast, reaped enormous profits from their false marketing
 6 and sale of these Products, generating more than \$100 million in sales revenue in 2010 alone.

CLASS ALLEGATIONS

8 40. Plaintiff Lerma brings this action on behalf of himself and all other similarly
 9 situated California residents pursuant to Rule 23(a), (b)(2), and (b)(3) of the Federal Rules of
 10 Civil Procedure and seeks certification of the following Class:

California Class Action

12 All California residents who, within the applicable statute of
 13 limitations, purchased Move Free® Advanced products.

14 Excluded from the Class are Defendants, their parents,
 15 subsidiaries, affiliates, officers and directors, and those who
 16 purchased the Move Free® Advanced products for the purpose of
 17 resale.

18 41. Plaintiff Pearson brings this action on behalf of himself and all other similarly
 19 situated consumers pursuant to Rule 23(a), (b)(2), and (b)(3) of the Federal Rules of Civil
 20 Procedure and seeks certification of the following Class against Defendants for violations of
 21 Illinois laws and similar laws in other states:

Multi-State Class Action

22 All persons who, within the applicable statute of limitations under
 23 their respective state's consumer fraud act, purchased the Move
 24 Free® Advanced products.

25 Excluded from the Class are Defendants, their parents,
 26 subsidiaries, affiliates, officers and directors, and those who
 27 purchased the Move Free® Advanced products for the purpose of
 28 resale.

29 42. In the alternative, Plaintiff -Pearson brings this action on behalf of himself and
 30 all other similarly situated Illinois residents pursuant to Rule 23(a), (b)(2), and (b)(3) of the

1 Federal Rules of Civil Procedure and seeks certification of the following Class:

2 **Illinois Class Action**

3 All Illinois residents who, within the applicable statute of
limitations, purchased the Move Free® Advanced products.

4 Excluded from the Class are Defendants, their parents,
subsidiaries, affiliates, officers and directors, and those who
purchased the Move Free® Advanced products for the purpose of
resale.

5
6 39.43. Members of the Class are so numerous and geographically dispersed that
7 joinder of all Class members is impracticable. Plaintiffs are informed and believes, and on
8 that basis alleges, that the proposed Class contains many thousands of members. The precise
9 number of Class members is unknown to Plaintiffs.

10
11 40.44. Common questions of law and fact exist as to all members of the Class and
12 predominate over questions affecting only individual Class members. The common legal
13 and factual questions include, but are not limited to, the following:

- 14 • Whether Defendants had competent scientific evidence to support each
of the claims that they made about their Products;
- 15 • Whether the claims discussed herein that Defendants made about their
Products were or are misleading, or reasonably likely to deceive;
- 16 • Whether Defendants' alleged conduct violates public policy;
- 17 • Whether the alleged conduct constitutes violations of the laws asserted
herein;
- 18 • Whether Defendants engaged in false and misleading advertising;
- 19 • Whether Plaintiffs s and Class members have sustained monetary loss
and the proper measure of that loss;
- 20 • Whether Plaintiffs s and Class members are entitled to restitution,
disgorgement of Defendants' profits, declaratory and/or injunctive relief; and
- 21 • Whether Plaintiffs s and Class members are entitled to an award of
punitive and/or compensatory damages.

41.45. The claims asserted by Plaintiffs in this action are typical of the claims of the members of the Class, as the claims arise from the same course of conduct by Defendants, and the relief sought is common. Plaintiffs and Class members suffered uniform damages caused by their purchase of the Move Free® Advanced products manufactured, marketed, and sold by Defendants.

42.46. Plaintiffs will fairly and adequately represent and protect the interests of the members of the Class. Plaintiffs have retained counsel competent and experienced in both consumer protection and class litigation, and Plaintiffs intends to prosecute this action vigorously. Plaintiffs have no adverse or antagonistic interests to those of the Class.

43.47. A class action is superior to other available methods for the fair and efficient adjudication of this controversy. The expense and burden of individual litigation would make it impracticable or impossible for proposed Class members to prosecute their claims individually. It would thus be virtually impossible for the Class, on an individual basis, to obtain effective redress for the wrongs done to them. Furthermore, even if Class members could afford such individualized litigation, the court system could not. Individualized litigation would create the danger of inconsistent or contradictory judgments arising from the same set of facts. Individualized litigation would also increase the delay and expense to all parties and the court system from the issues raised by this action. By contrast, the class action device provides the benefits of adjudication of these issues in a single proceeding, economies of scale, and comprehensive supervision by a single court, and presents no unusual management difficulties under the circumstances here.

44.48. In the alternative, the Class also may be certified because Defendants have acted or refused to act on grounds generally applicable to the Class thereby making appropriate final declaratory and/or injunctive relief with respect to the members of the Class as a whole.

45.49. Plaintiffs seek preliminary and permanent injunctive and equitable relief on behalf of the entire Class, on grounds generally applicable to the entire Class, to enjoin and prevent Defendants from engaging in the acts described, and requiring Defendants to provide full restitution to Plaintiffs and Class members.

50. Unless a Class is certified, Defendants will retain monies received as a result of their conduct that were taken from Plaintiffs and Class members. Unless a Class-wide injunction is issued, Defendants will continue to commit the violations alleged, and the members of the Class and the general public will continue to be misled.

COUNT I

Violation of the Consumers Legal Remedies Act – Civil Code §1750 *et seq.* (Applicable to a California-Only Class)

46.51. Plaintiff Lerma re-alleges and incorporates by reference the allegations contained in the paragraphs above as if fully set forth herein.

47.52. This cause of action is brought under the Consumers Legal Remedies Act, California Civil Code §1750, *et seq.* (the “Act”). Plaintiff Lerma is a consumer as defined by California Civil Code §1761(d). Defendants’ Move Free® Advanced products are goods within the meaning of the Act.

48.53. Defendants violated and continue to violate the Act by engaging in the following practices proscribed by California Civil Code §1770(a) in transactions with Plaintiff Lerma and the Class which were intended to result in, and did result in, the sale of Defendants' Move Free® Advanced products:

(5) Representing that [the Move Free® Advanced products have] . . . characteristics, . . . uses [or] benefits . . . which [they] do not have.

* * *

(7) Representing that [the Move Free® Advanced products are] of a particular standard, quality or grade, . . . if [they are] of another.

* * *

(9) Advertising goods . . . with the intent not to sell them as advertised.

* * *

(16) Representing that [the Move Free® Advanced products have] been supplied in accordance with a previous representation when [they have] not.

49.54. Defendants violated and continue to violate the Act by representing and failing to disclose material facts on their Move Free product labels and packages as described above, when they knew, or should have known, that the representations were unsubstantiated, false and misleading and that the omissions were of material facts.

50.55. Pursuant to §1782(d) of the Act, Plaintiff Lerma and the Class seek a court order enjoining the above-described wrongful acts and practices of Defendants and for restitution and disgorgement.

51.56. Pursuant to §1782 of the Act, by letter dated May 13, 2011, Plaintiff [Lerma](#) notified Defendant Schiff Nutrition International and Schiff Nutrition Group, Inc., in writing by certified mail of the particular violations of §1770 of the Act and demanded that Defendants rectify the problems associated with the actions detailed above and give notice to all affected consumers of Defendants' intent to so act.

52.57. Defendants have failed to rectify or agree to rectify the problems associated with the actions detailed above and give notice to all affected consumers within 30 days of the date of written notice pursuant to §1782 of the Act. Therefore, Plaintiff Lerma further seeks for actual, punitive and statutory damages, as appropriate.

53.58. Defendants' conduct is malicious, fraudulent and wanton.

COUNT II
Violation of Business & Professions Code §17200, *et seq.*
(Applicable to a California-Only Class)

54.59. Plaintiff Lerma re-alleges and incorporates by reference the allegations contained in the paragraphs above as if fully set forth herein.

55.60. As alleged herein, Plaintiff **Lerma** has suffered injury in fact and lost money

1 or property as a result of Defendants' conduct because he purchased the Move Free®
 2 Advanced products.

3 56.61. In the course of conducting business, Defendants committed unlawful
 4 business practices by, *inter alia*, making the representations (which also constitute
 5 advertising within the meaning of §17200) and omissions of material facts, as set forth more
 6 fully herein, and violating Civil Code §§1572, 1573, 1709, 1711, 1770, Business &
 7 Professions Code §§17200, *et seq.*, 17500, *et seq.*, and the common law.

8 57.62. Plaintiff [Lerma](#) and the Class reserve the right to allege other violations of
 9 law, which constitute other unlawful business acts or practices. Such conduct is ongoing and
 10 continues to this date.

11 58.63. Defendants' acts, omissions, misrepresentations, practices and non-
 12 disclosures as alleged herein also constitute "unfair" business acts and practices within the
 13 meaning of Business and Professions Code §17200 *et seq.*, in that their conduct is
 14 substantially injurious to consumers, offends public policy, and is immoral, unethical,
 15 oppressive, and unscrupulous as the gravity of the conduct outweighs any alleged benefits
 16 attributable to such conduct.

17 59.64. As stated in this complaint, Plaintiff [Lerma](#) alleges violations of consumer
 18 protection, unfair competition and truth in advertising laws resulting in harm to consumers.
 19 Plaintiff [Lerma](#) asserts violations of the public policy of engaging in false and misleading
 20 advertising, unfair competition and deceptive conduct towards consumers. This conduct
 21 constitutes violations of the unfair prong of Business & Professions Code §17200 *et seq.*

22 60.65. There were reasonably available alternatives to further Defendants' legitimate
 23 business interests, other than the conduct described herein.

24 61.66. Defendants' claims, nondisclosures and misleading statements, as more fully
 25 set forth above, are also false, misleading and/or likely to deceive the consuming public
 26 within the meaning of Business & Professions Code §17200 *et seq.*

62-67. Defendants' labeling and packaging as described herein, also constitute unfair, deceptive, untrue and misleading advertising.

63.68. Defendants' conduct caused and continues to cause substantial injury to Plaintiff Lerma and the other Class members. Plaintiff Lerma has suffered injury in fact and has lost money as a result of Defendants' unfair conduct.

69. Plaintiff Lerma, on behalf of himself, and all other similarly situated California residents, seeks restitution of all money obtained from Plaintiff Pearson and the members of the Class collected as a result of unfair competition, an injunction prohibiting Defendants from continuing such practices, corrective advertising and all other relief this Court deems appropriate, consistent with Business & Professions Code §17203.

COUNT III
Violation of the Illinois Consumer Fraud Act
(Applicable to a Multi-State or Illinois-Only Class)

70. Plaintiff Pearson re-alleges and incorporates by reference the allegations contained in the paragraphs above as if fully set forth herein.

71. In Illinois, the “Consumer Fraud and Deceptive Business Practices Act” 815
Ill. Comp. Stat. 502/1, et seq. (“the Act”), like the consumer fraud acts of numerous other
states across the nation, prohibits deceptive acts and practices in the sale of such products as
Defendants’ Move Free® Advanced products.

72. Plaintiff Pearson and the Class were injured by Defendants' deceptive misrepresentations, concealments and omissions and these misrepresentations, concealments and omissions were material and deceived Plaintiff Pearson and the Class.

73. Defendants do business in Illinois, sell and distribute their Move Free® Advanced products in Illinois, and engaged in deceptive acts and practices in connection with the sale of same both in Illinois and elsewhere in the United States.
